Joyful Marriage Ministries was created to strengthen marriages and help couples grow and experience the joy and fulfillment God designed for marriage.

Our own story of brokenness, the result of living life our own way, and 39 years of marriage, the result of living life God's way, fuels our passion to see others experience what we have by God's grace.

Our small group retreats can provide in-depth help for troubled marriages and give them hope that their marriages can change and become healthy. They can, also, help couples with stronger marriages deepen their relationship with one another.

Marriage conferences can help strengthen marriages in a larger group setting.

Contact us if you are interested in attending one or if your church or group would like to book a conference or retreat.

## What participants have to say:

*"Thank you for being such an inspiration, encouragement and tremendous blessing. Thank you for all that you do."*
